NASM/sabbatical

## Information Regarding Dr Smeaton's sabbatical

As of 15<sup>th</sup> June, I will be on sabbatical from the practice. During this time Dr Dilini Kalupahana, one of our partners, will be looking after my patients and, should you need to contact a doctor during this time for anything non-urgent your query will be direct to her in first instance.

I will be back from my sabbatical on Monday 17<sup>th</sup> September; however, from this time I will only be seeing patients at our other practice, the Queens Crescent Surgery, at 76 Queens Crescent, NW5 4EB which is less than a mile from the James Wigg Practice.

I would be very happy to continue looking after you from this site, but, in order to do this, you will need to reregister at this practice. This can be done either online at [queenscrescentsurgery@nhs.net](mailto:queenscrescentsurgery@nhs.net) (click the "Registration" button on the home page) or in person by popping in – please ask for Pat – our Registration Champion.

As Queens Crescent is part of the same organisation as the James Wigg Practice, any services that you use through the James Wigg practice can also be accessed by any patients who are registered at Queens Crescent and, as we use the same system for our computer records there should be only a minimal delay before we receive your notes.

I realise that moving practice will not be practical for everyone and you will remain registered with the James Wigg Practice unless you register elsewhere. Dr Kalupahana will take my place in the "Green Team"; she was a Registrar here, then a Salaried GP and accepted a partnership post within the practice last summer. She has been working at Queens Crescent for the past year. If there is another GP with whom you have a relationship that you would prefer to be your usual GP could I ask that you put this in writing to our Practice Manager, Loni Booker.

I would like to take this opportunity to say that it has been a pleasure and a privilege to be involved in your healthcare and I know that I leave you in very good hands.

Yours sincerely
