

MENTAL HEALTH IN CAMDEN BUILDING OUR FUTURE TOGETHER

We would like you to join us on the 27th of June to help us think about how we achieve our vision for mental health in Camden.

It will be an opportunity to hear about our vision for North Central London and our local plans to improve mental health across Camden. We will also talk about some of the current and future challenges.

This event is for anyone who has an interest in mental health who lives in Camden; whether you are currently, or have used, mental health services, or are a carer for someone with a mental health problem.
